

AIRPLANE PASSENGER SATISFACTION

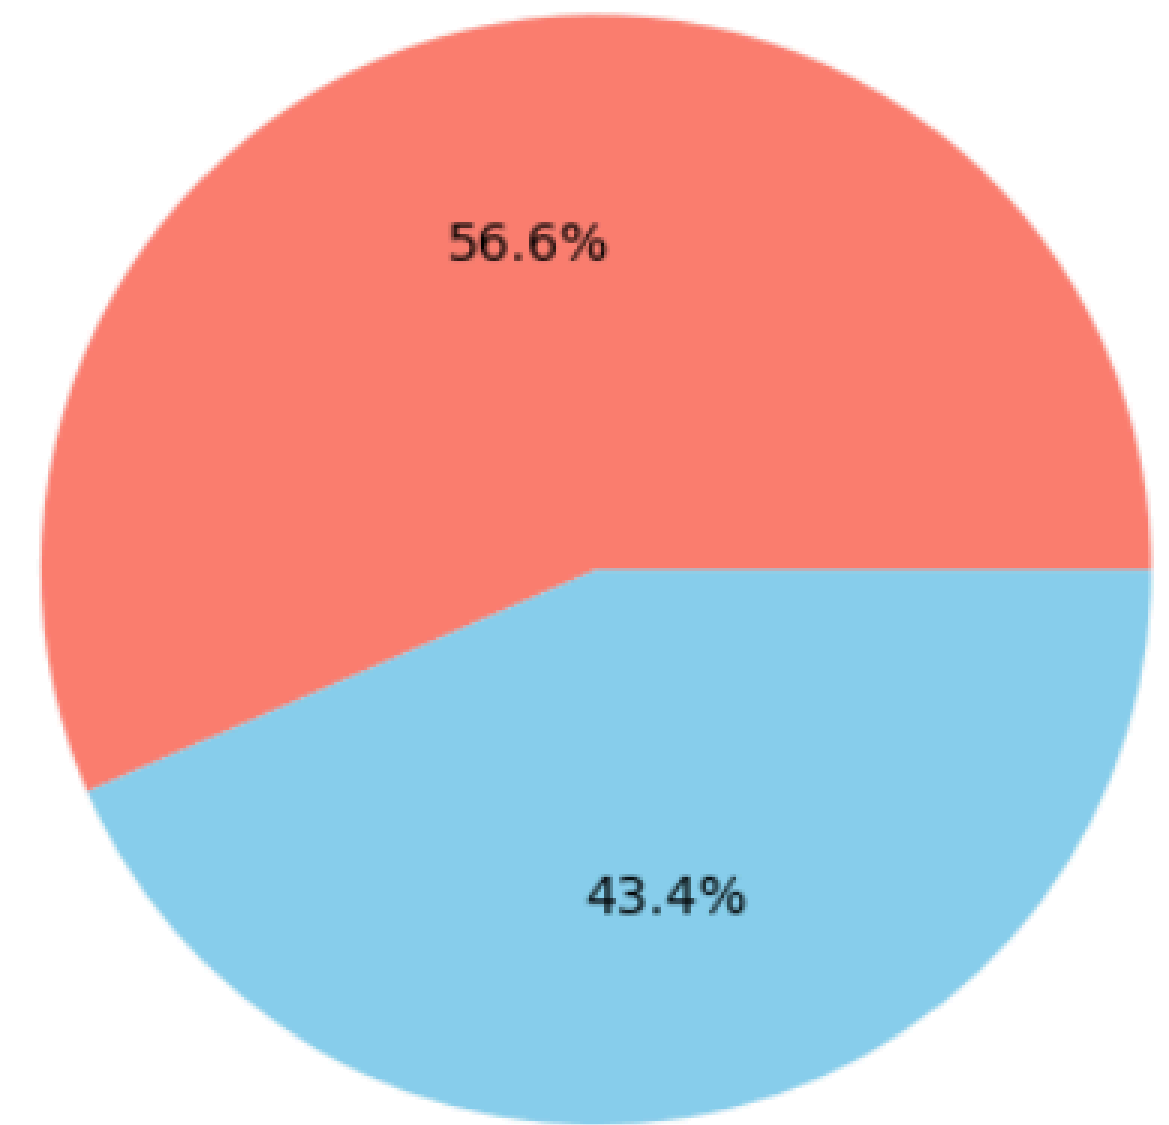

Presentation by Sara Dhaif

THE PROBLEM

Approximately 56.5% of passengers report being Neutral or Dissatisfied with the airline. To address this issue, this analysis will examine both passenger, travel, service, and operational factor to provide managers with actionable insights for improvement.

Overall Satisfaction

neutral or dissatisfied

satisfied

THE OBJECTIVES

02

1 - To Understand the demographic and travel characteristics of the airline's passengers.

2 - To Identify passenger groups with higher levels of dissatisfaction.

3 - To Determine which service areas are most strongly associated with overall passenger satisfaction.

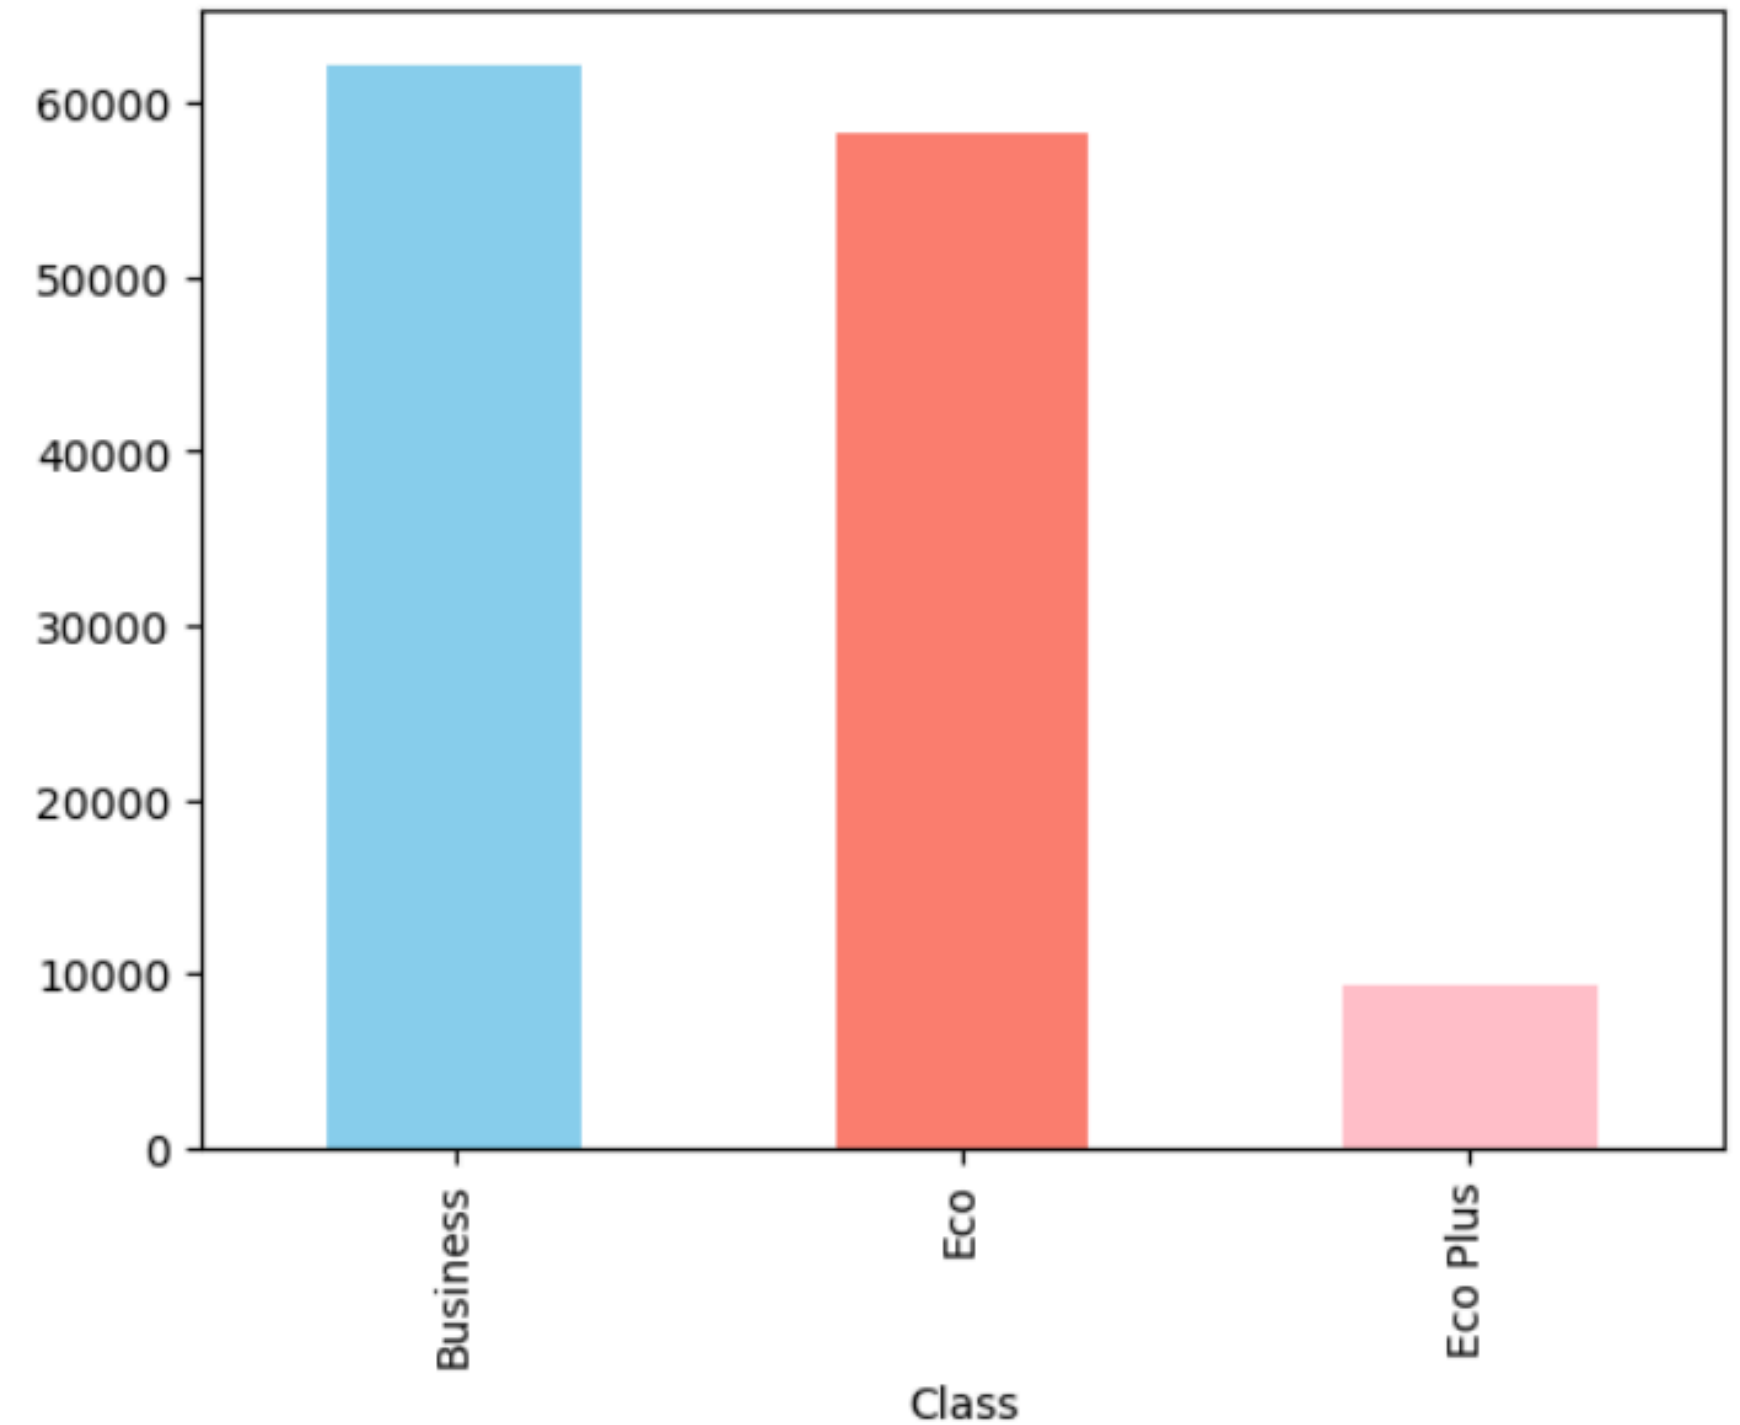

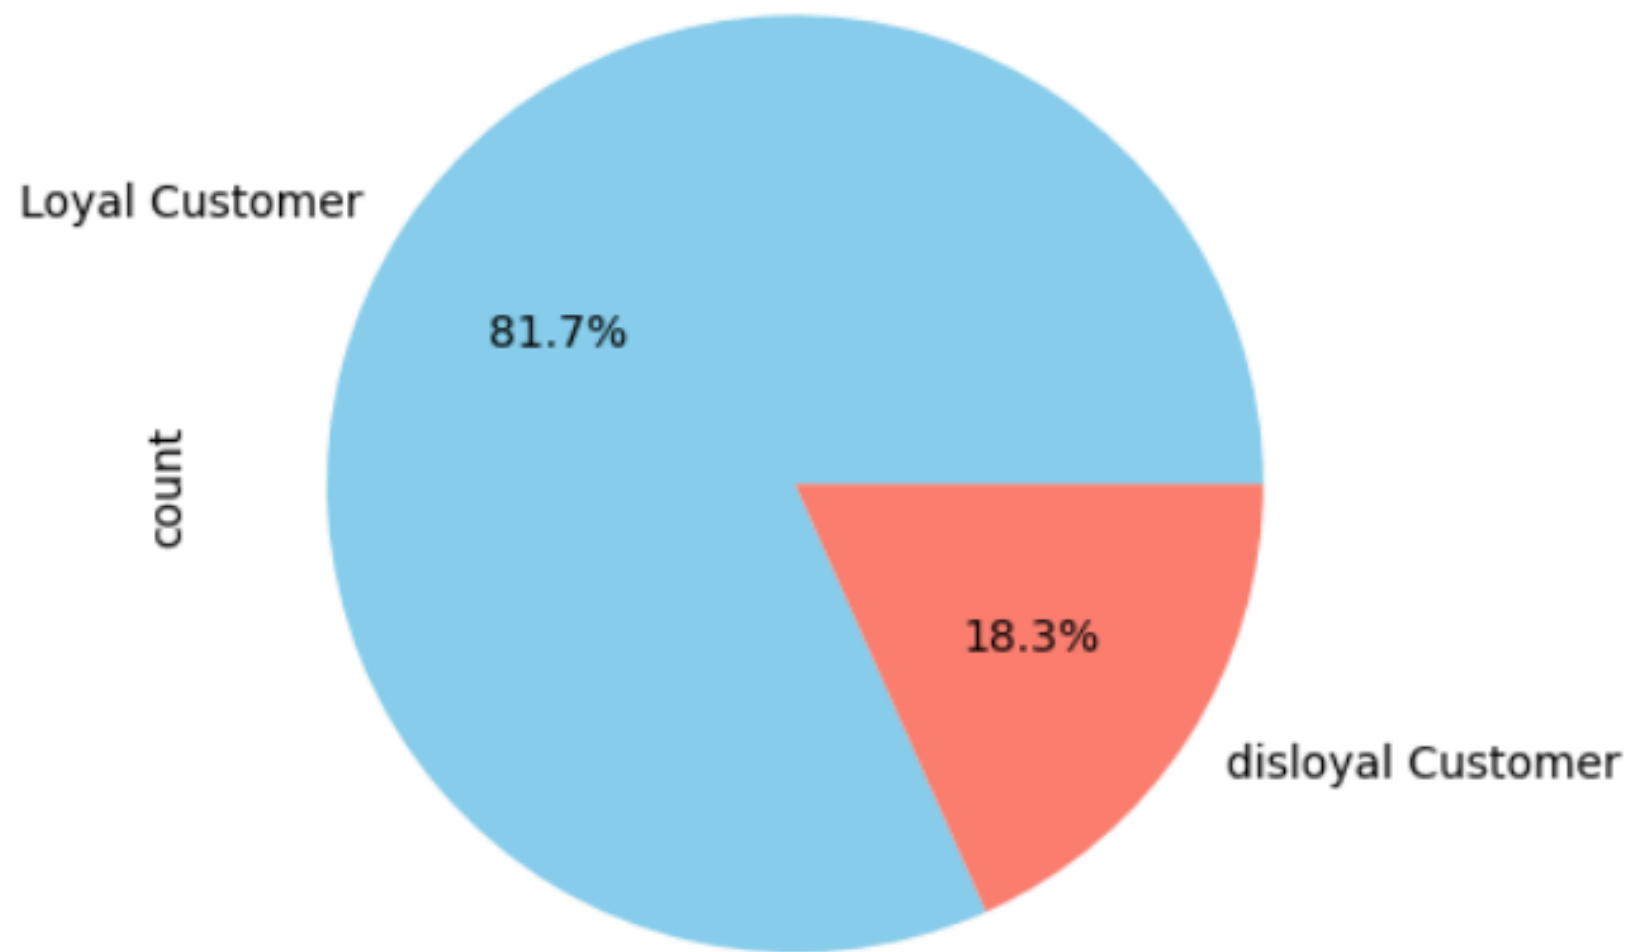

4 - To Examine the lowest-rated service areas among dissatisfied passenger groups.

5 - To Assess whether delays are associated with passenger dissatisfaction.

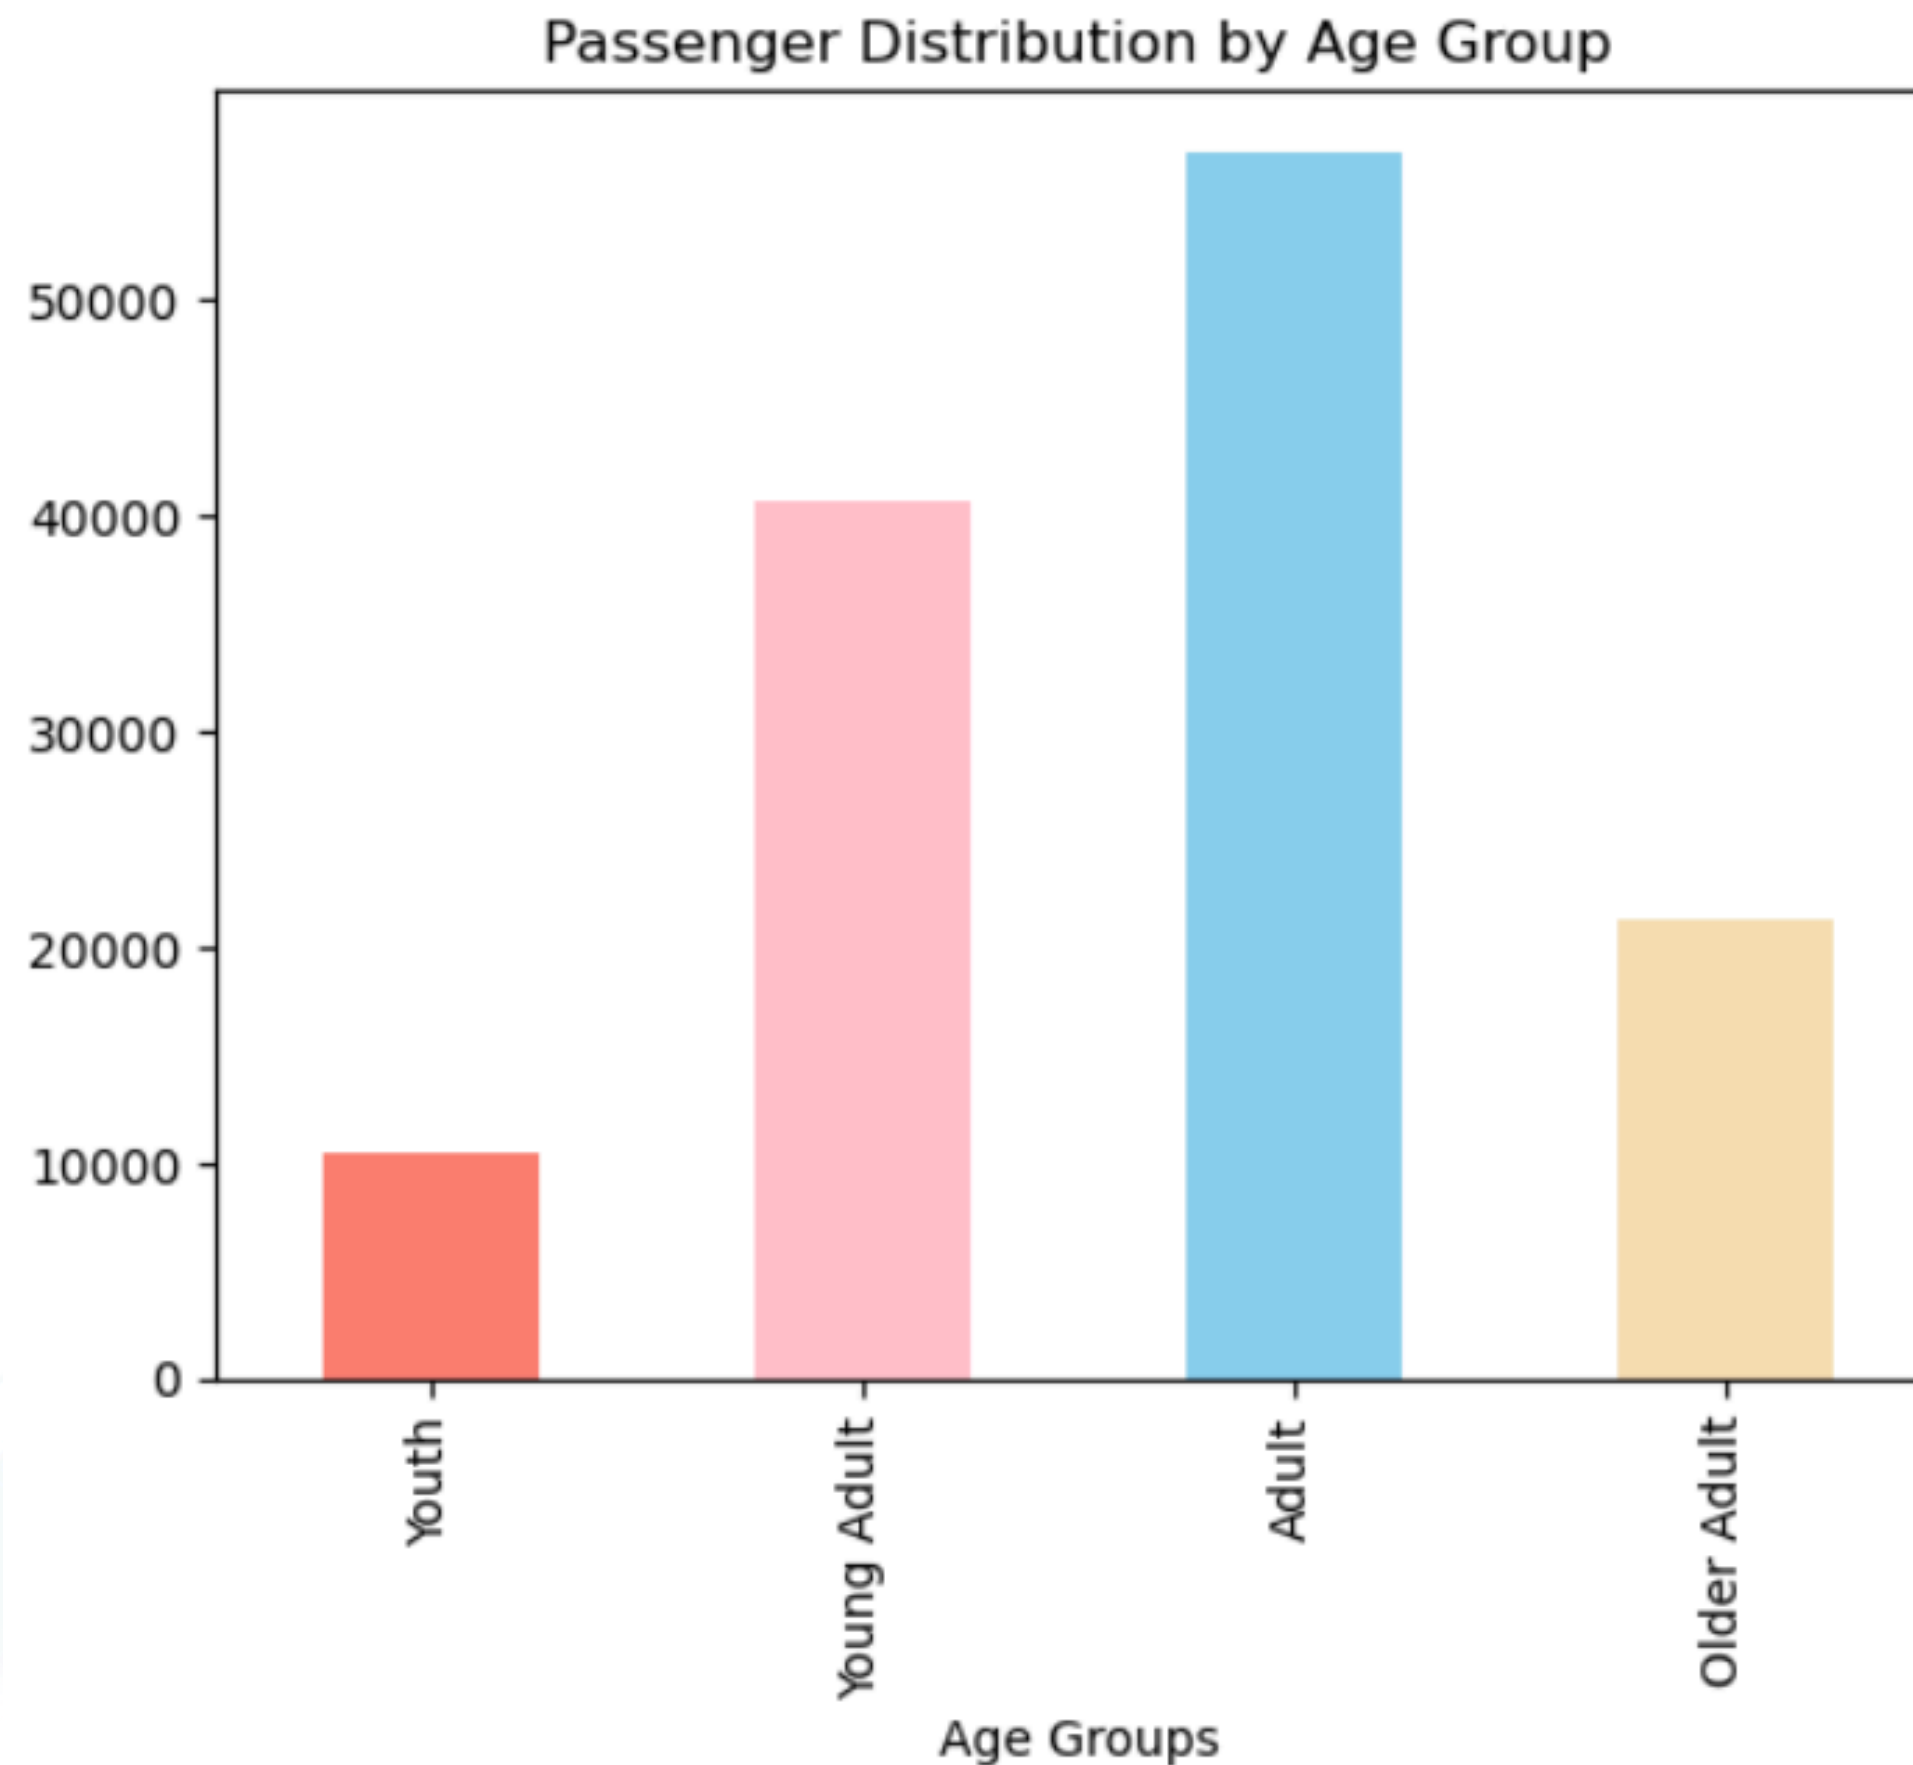

WHO ARE OUR PASSENGERS?

50.7% FEMALE
49.3% MALE

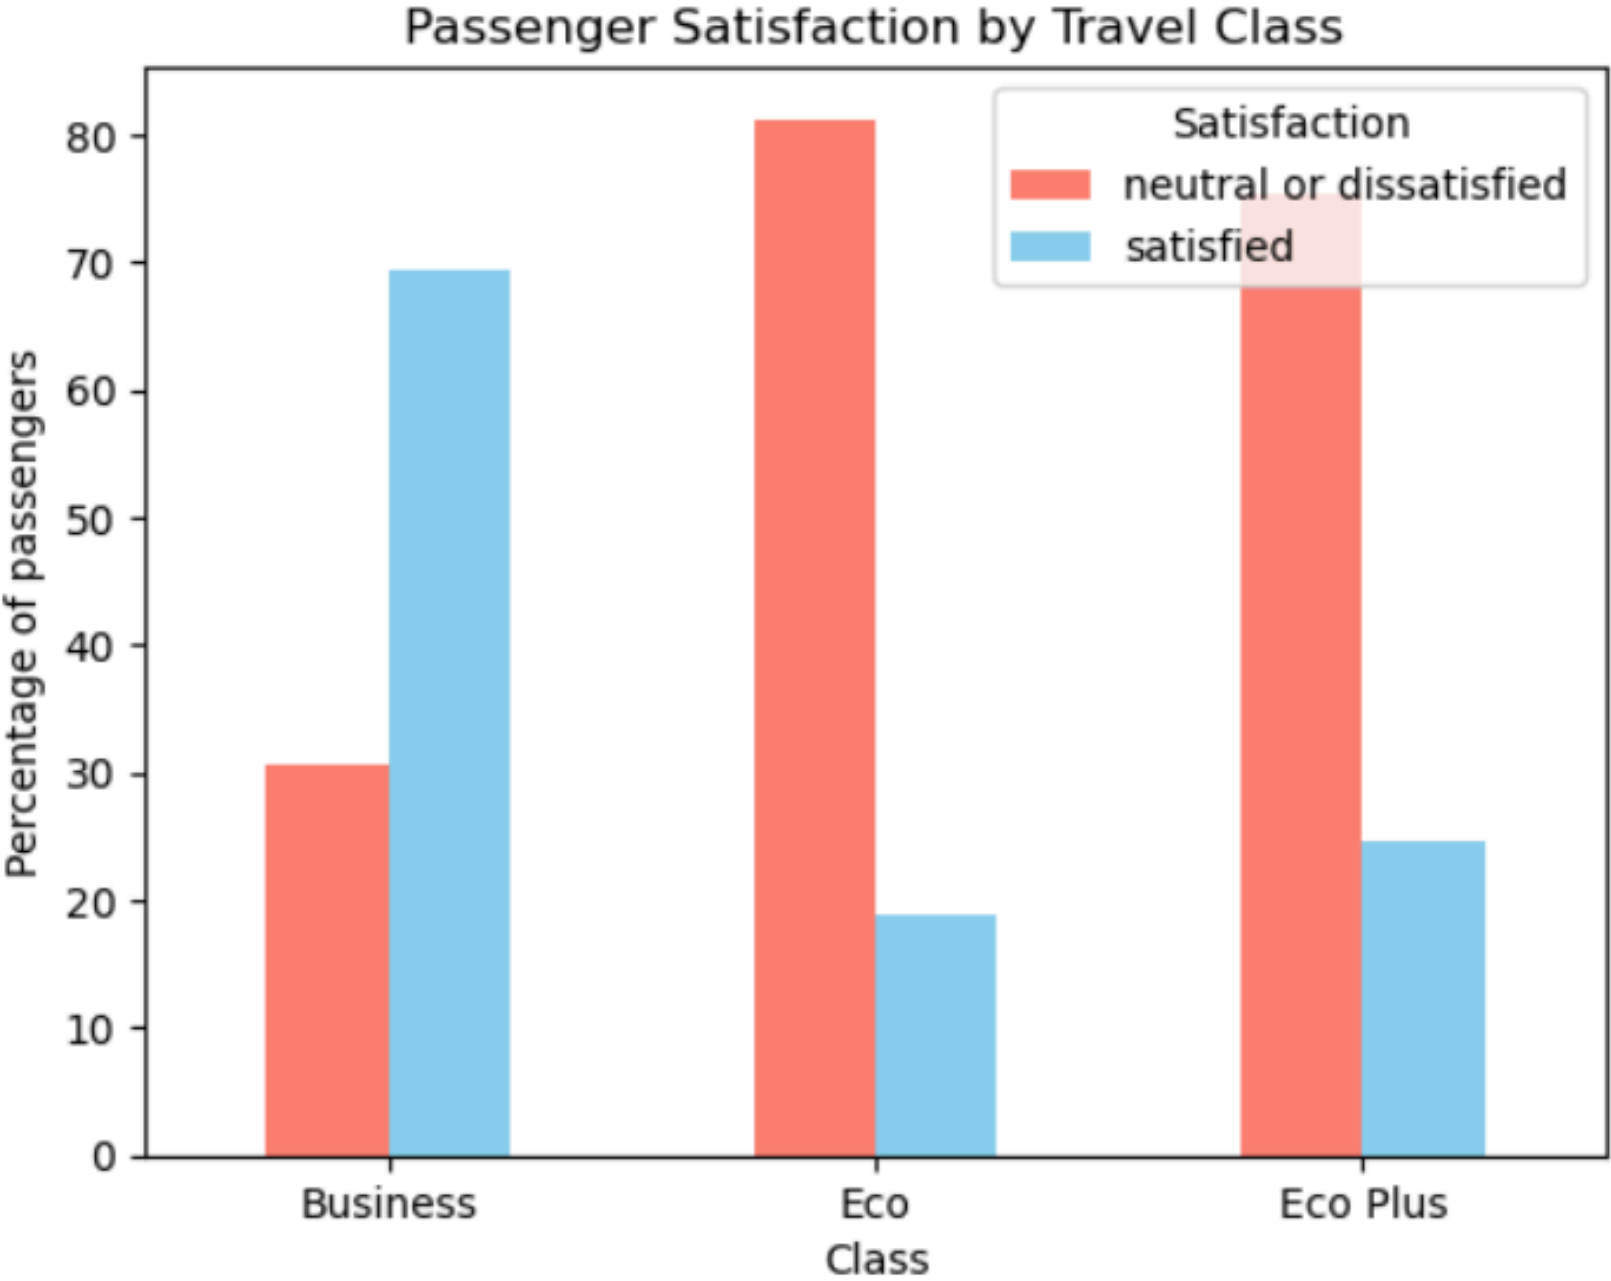

**ADULTS AND YOUNG
ADULTS ARE OUR
CORE PASSENGER
BASE.**

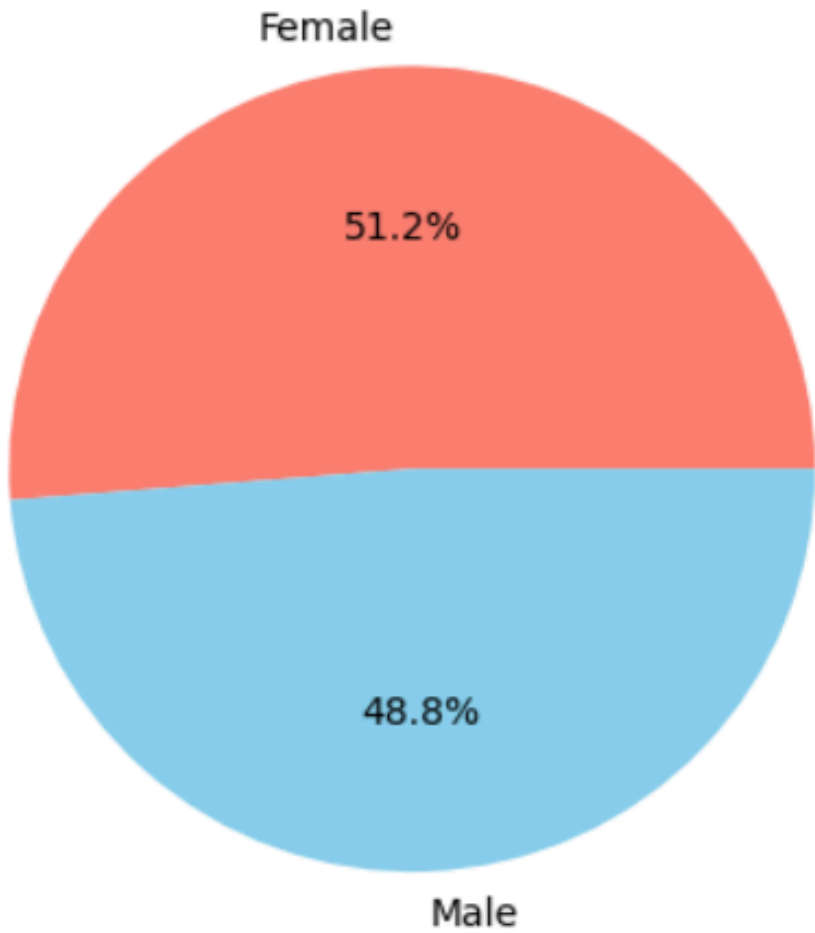

**YOUTH ARE THE
SMALLEST GROUP, AT
ABOUT 10,000
PASSENGERS.**

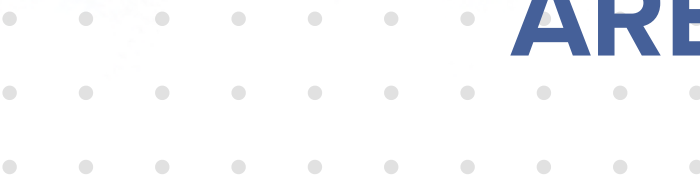

WHO IS EXACTLY DISSATISFIED?

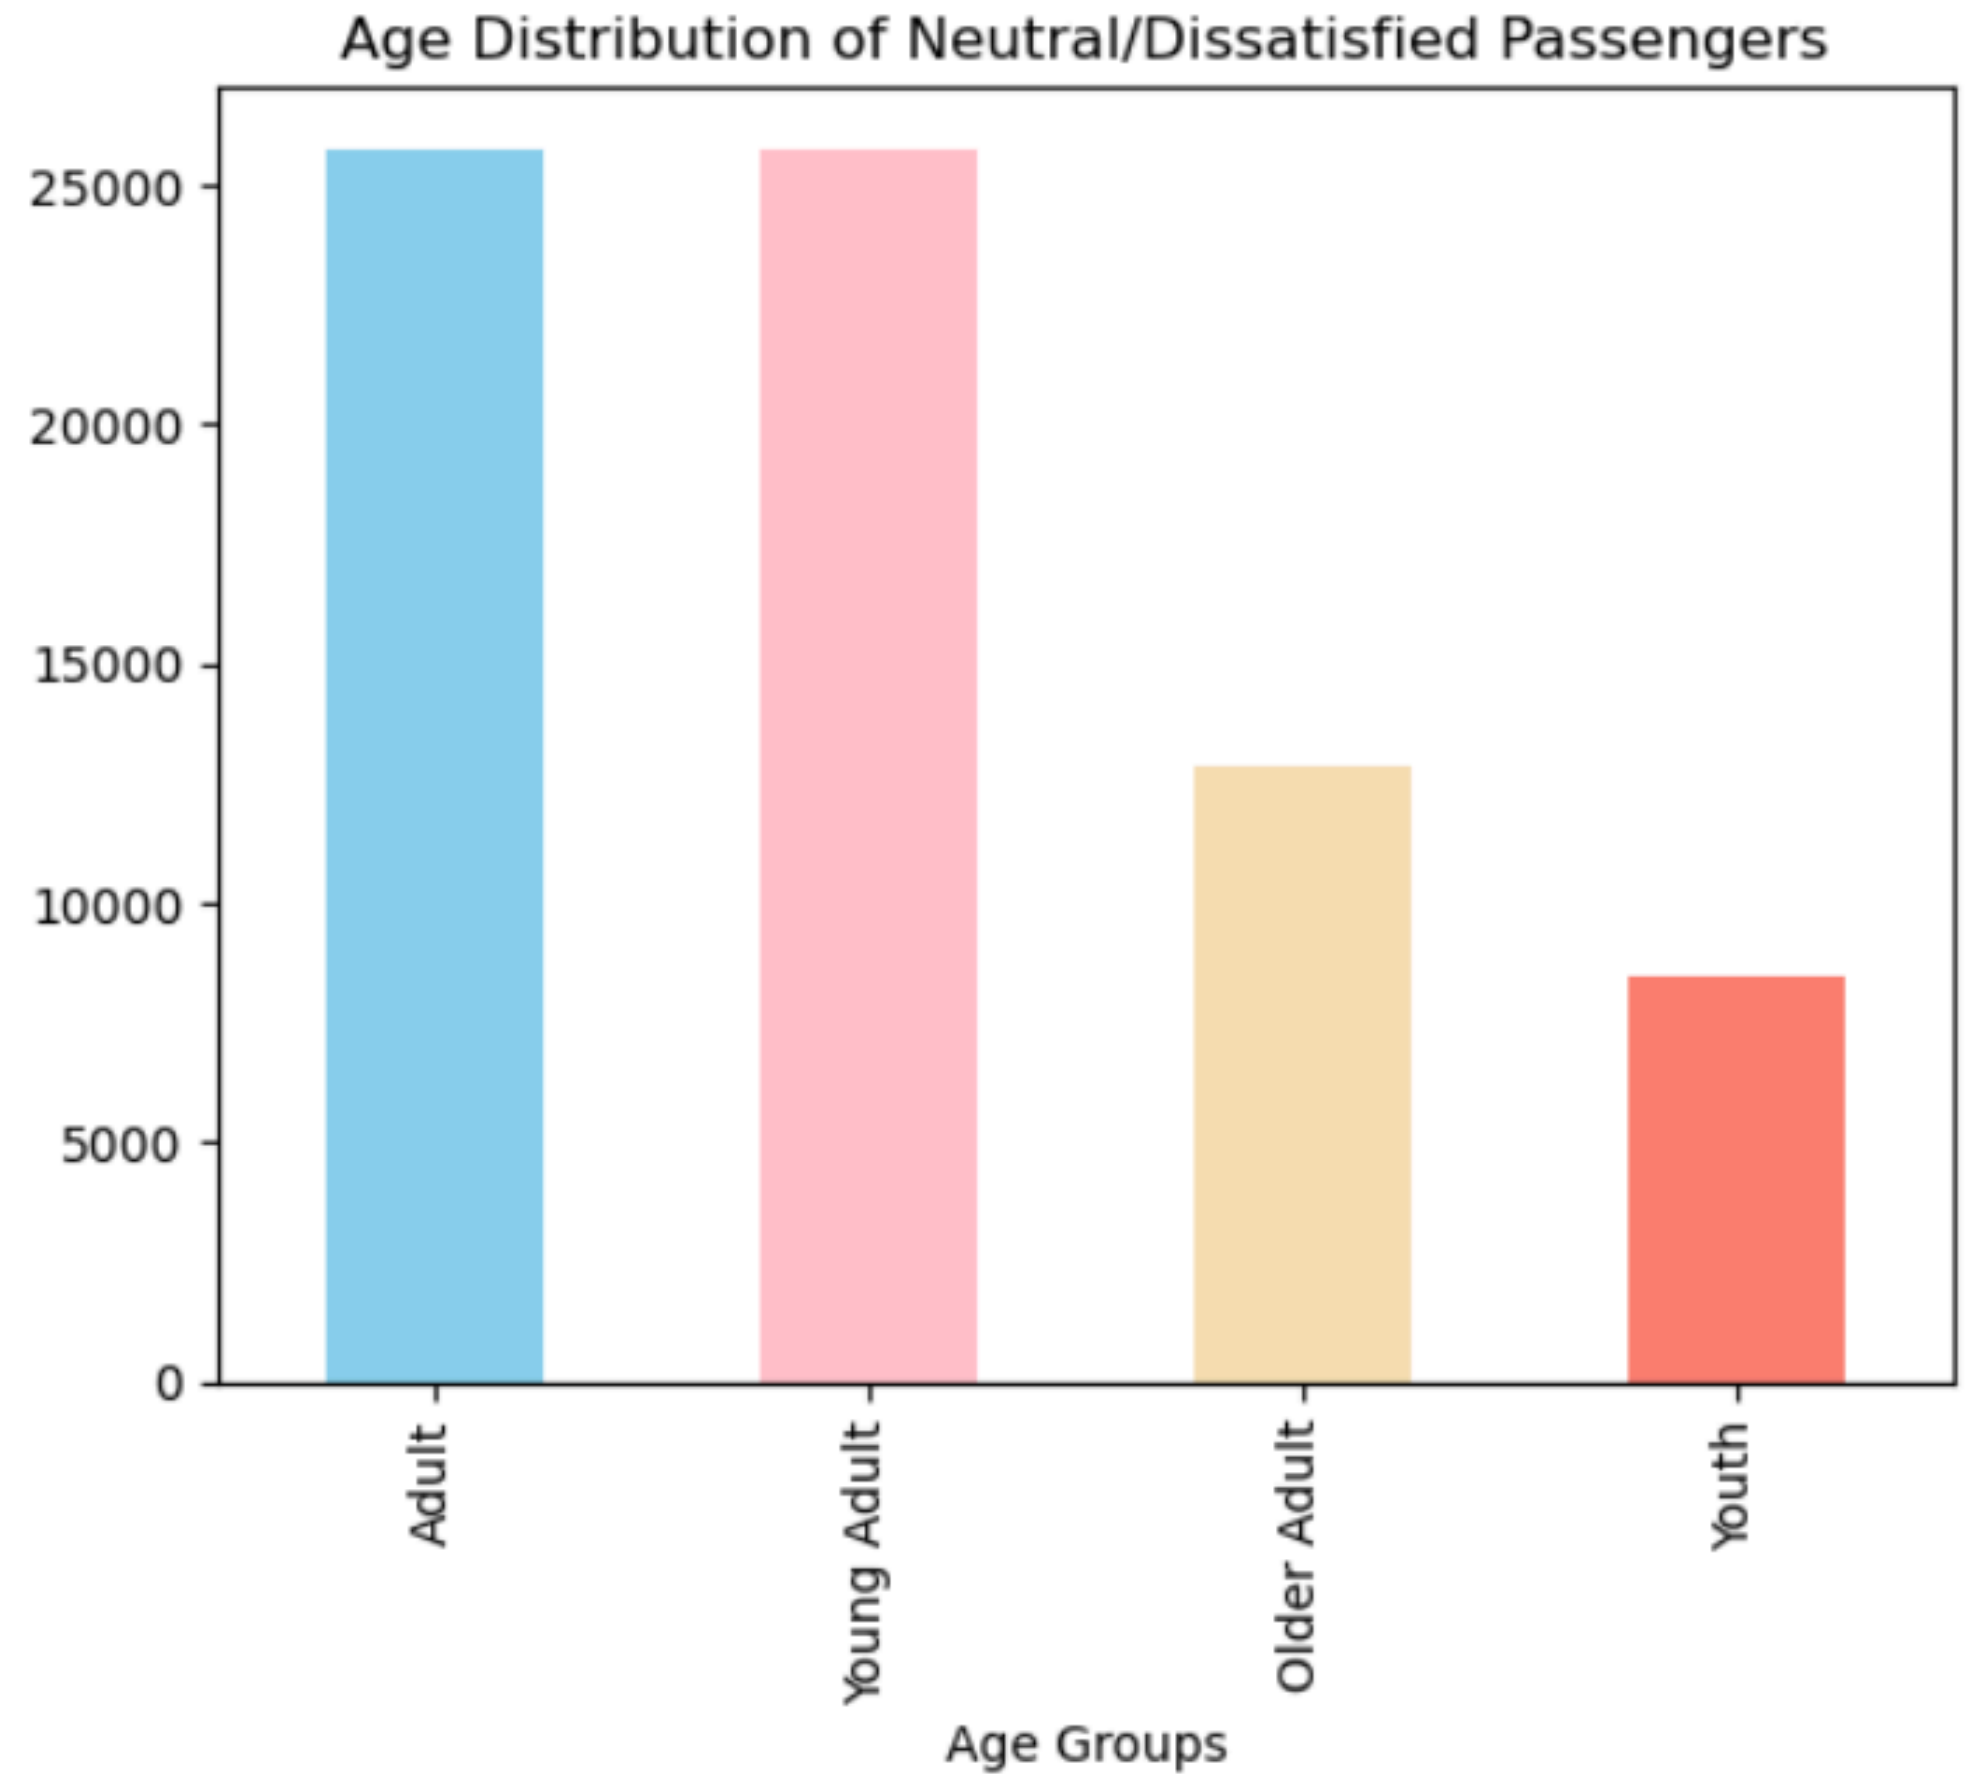

Gender Distribution of Neutral/Dissatisfied Passengers

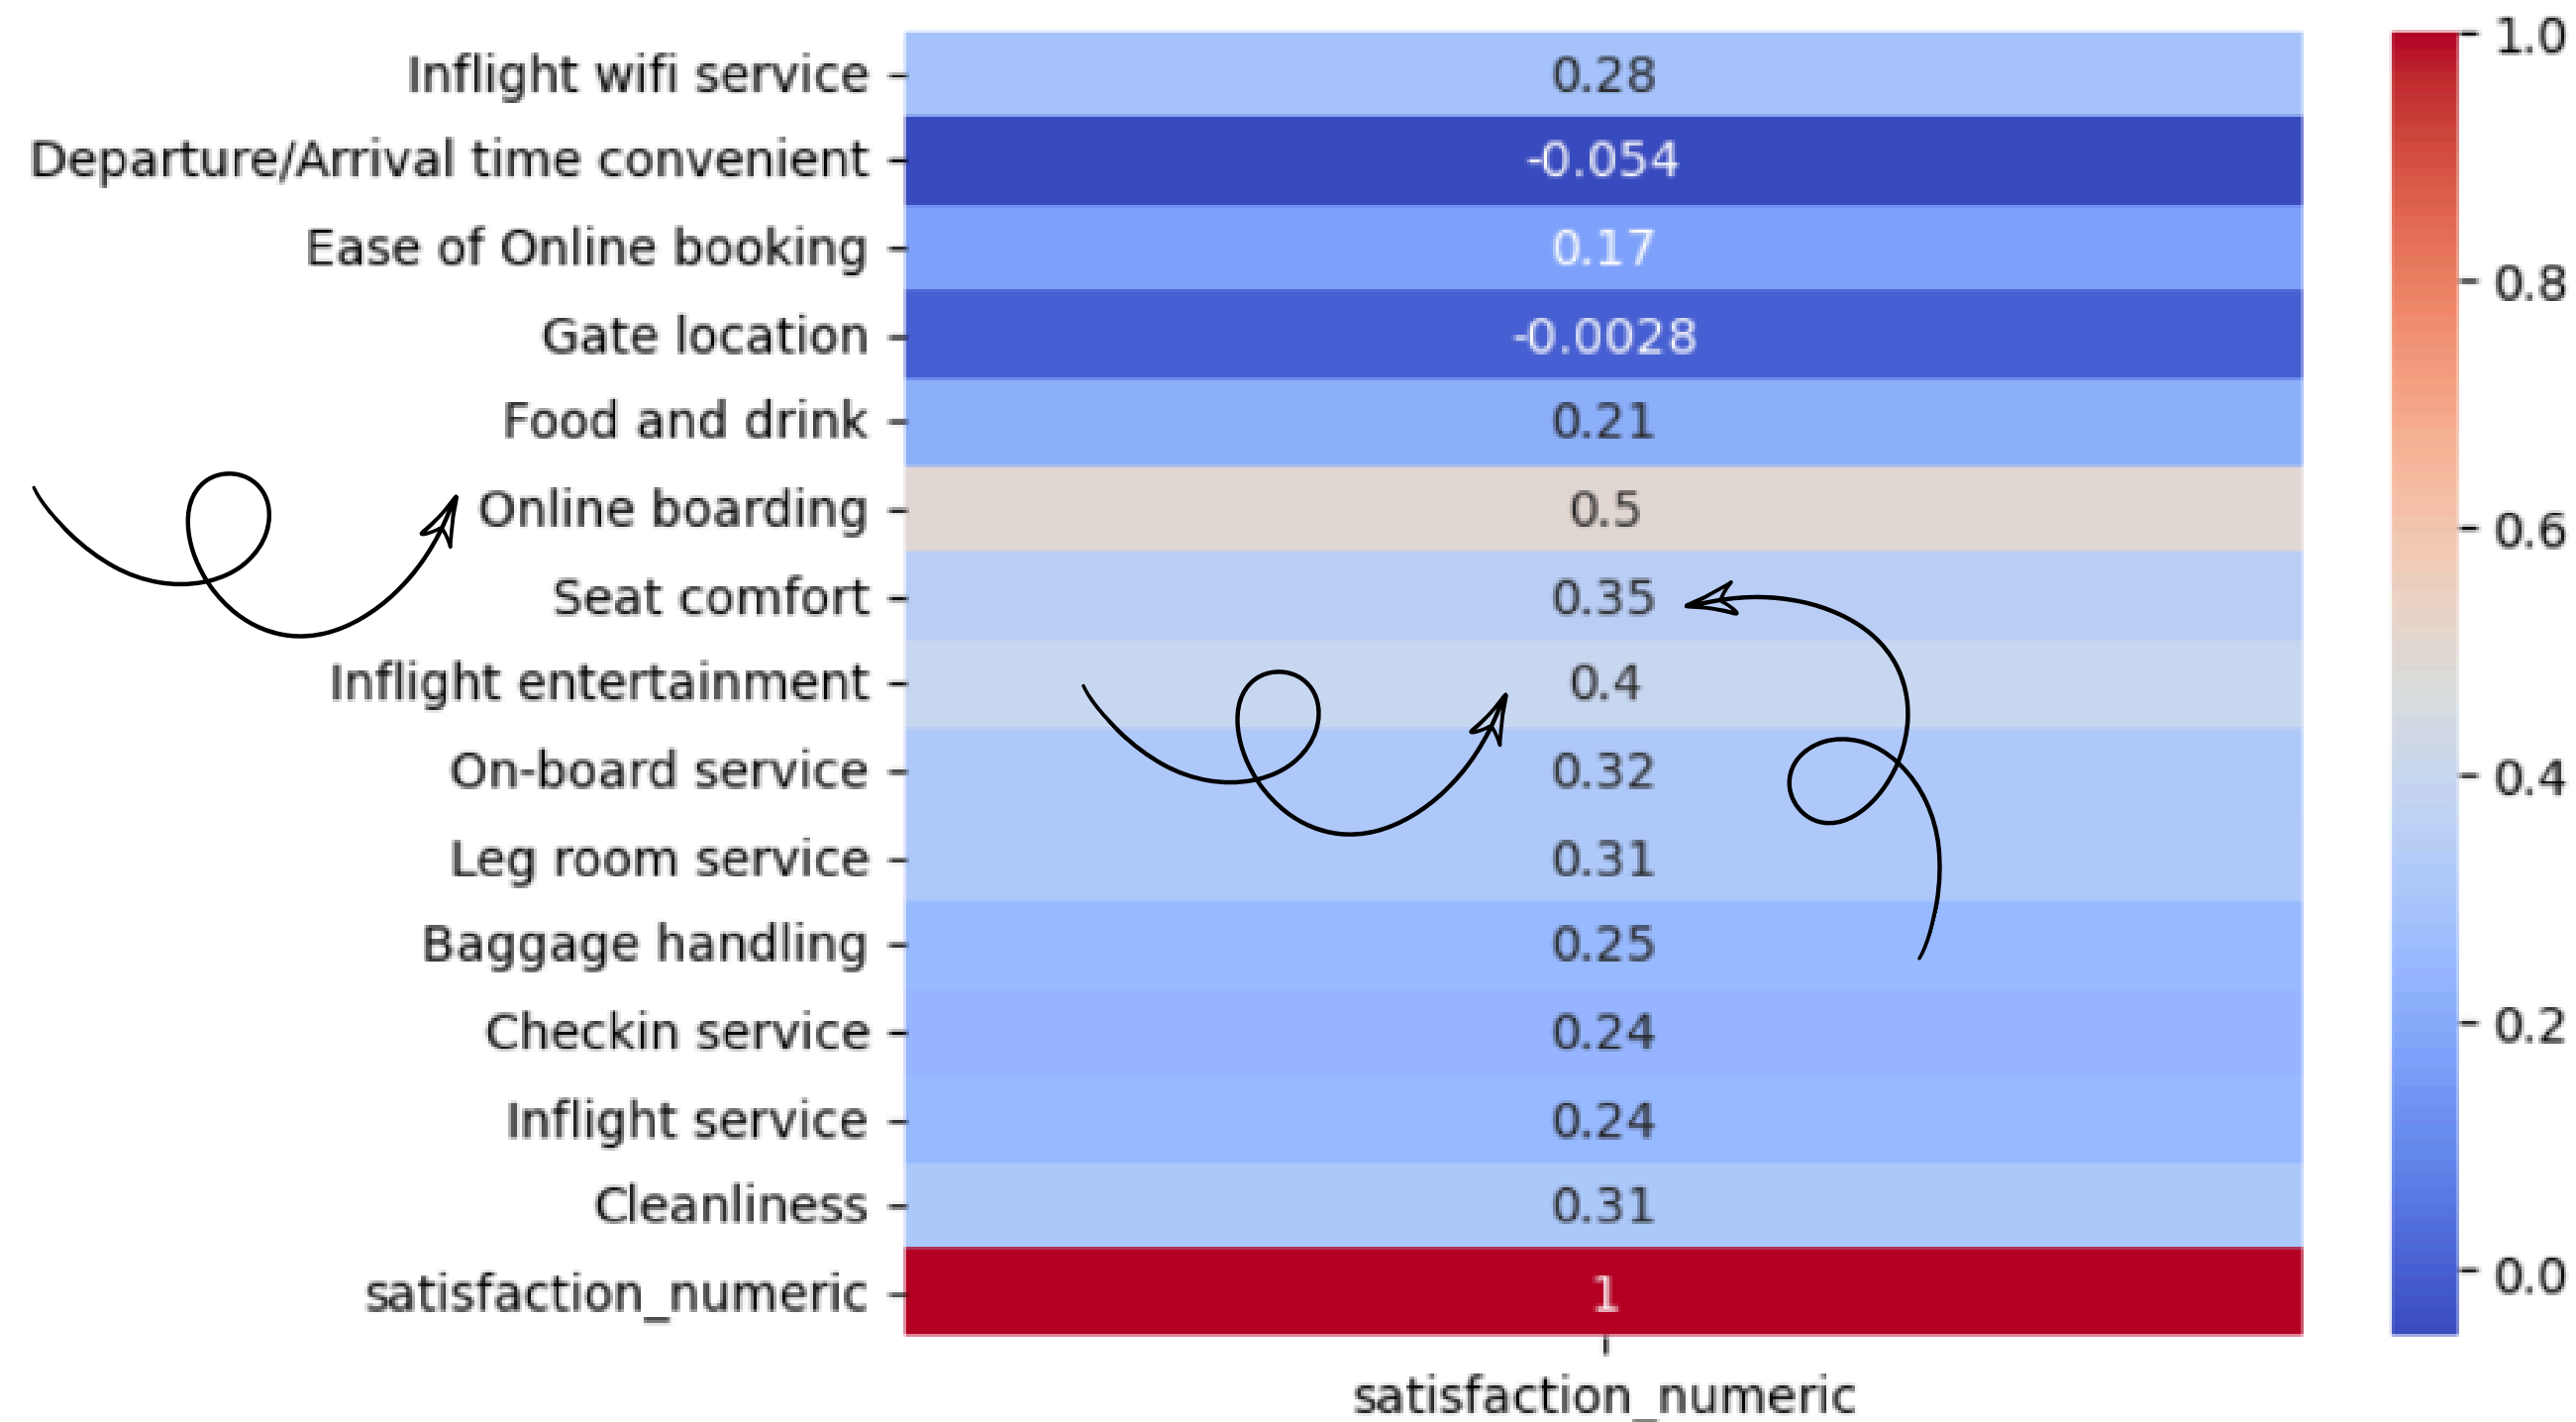

ABOUT 69% OF BUSINESS PASSENGERS ARE SATISFIED, BUT ABOUT 81% OF ECONOMY PASSENGERS ARE NOT.

**ADULTS AND YOUNG
ADULTS MAKE UP
ROUGHLY 70% OF
DISSATISFIED
PASSENGERS.**

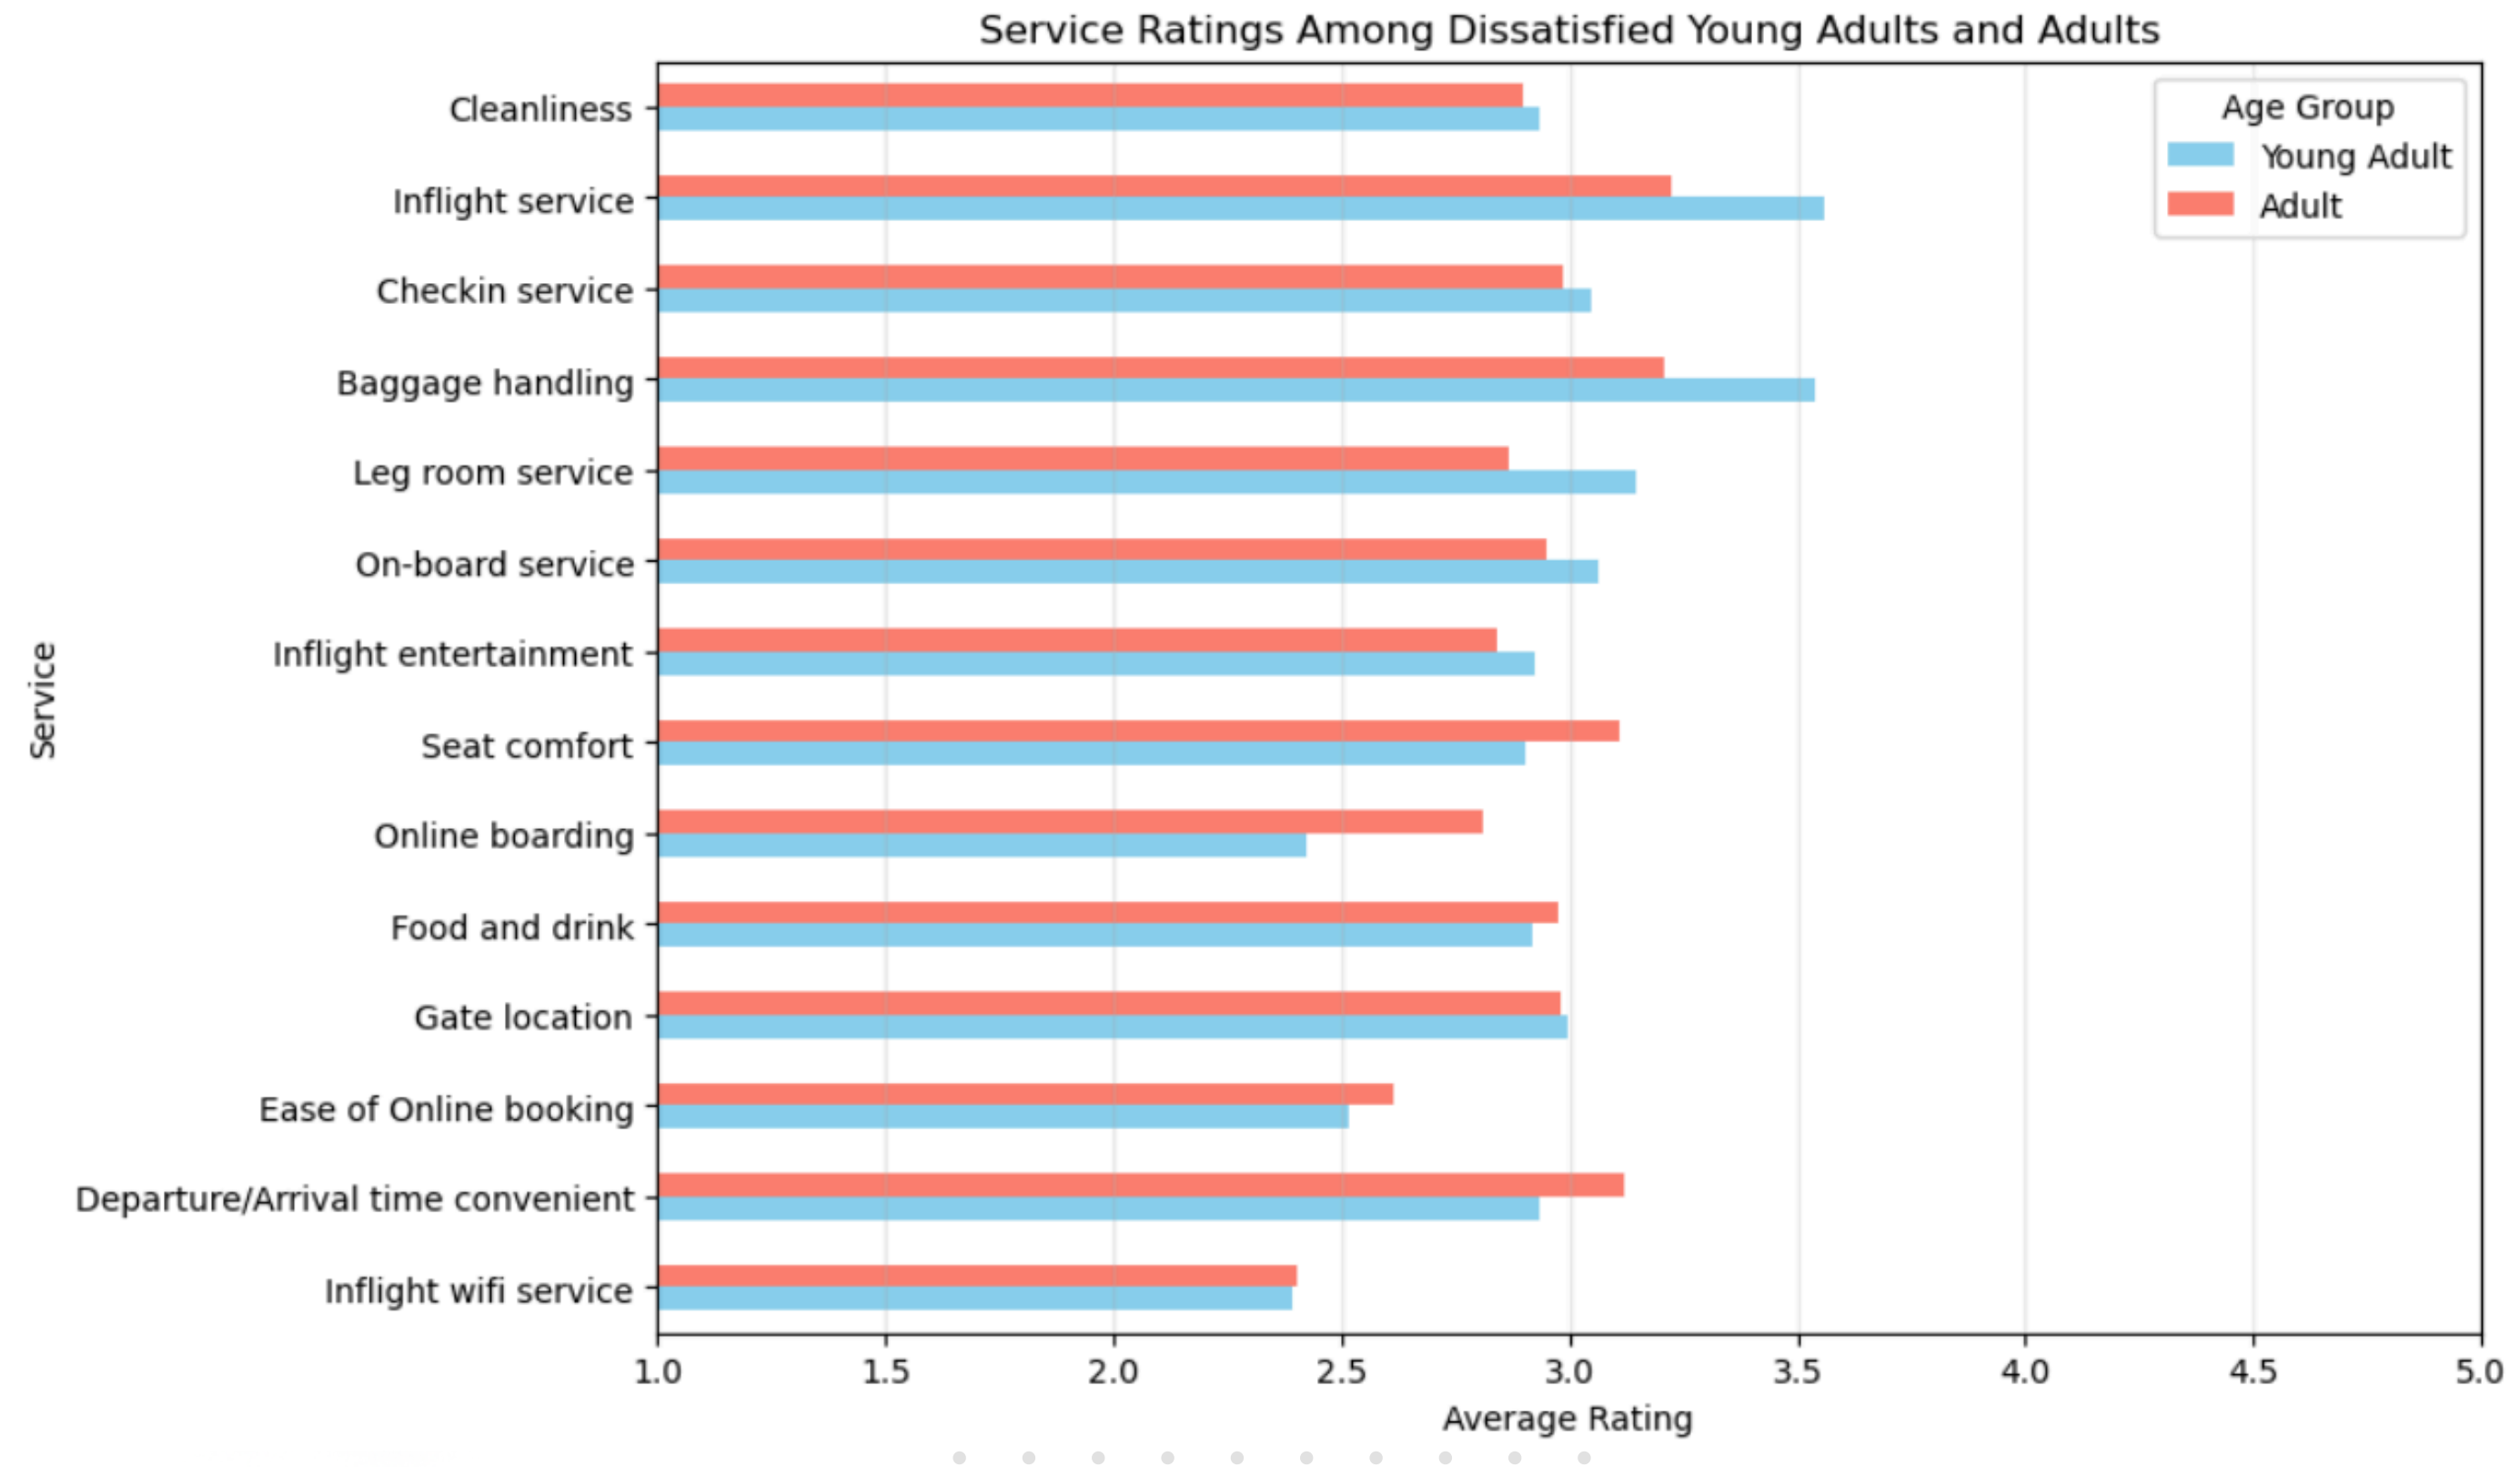

CORRELATION BETWEEN SERVICE RATINGS AND PASSENGER SATISFACTION

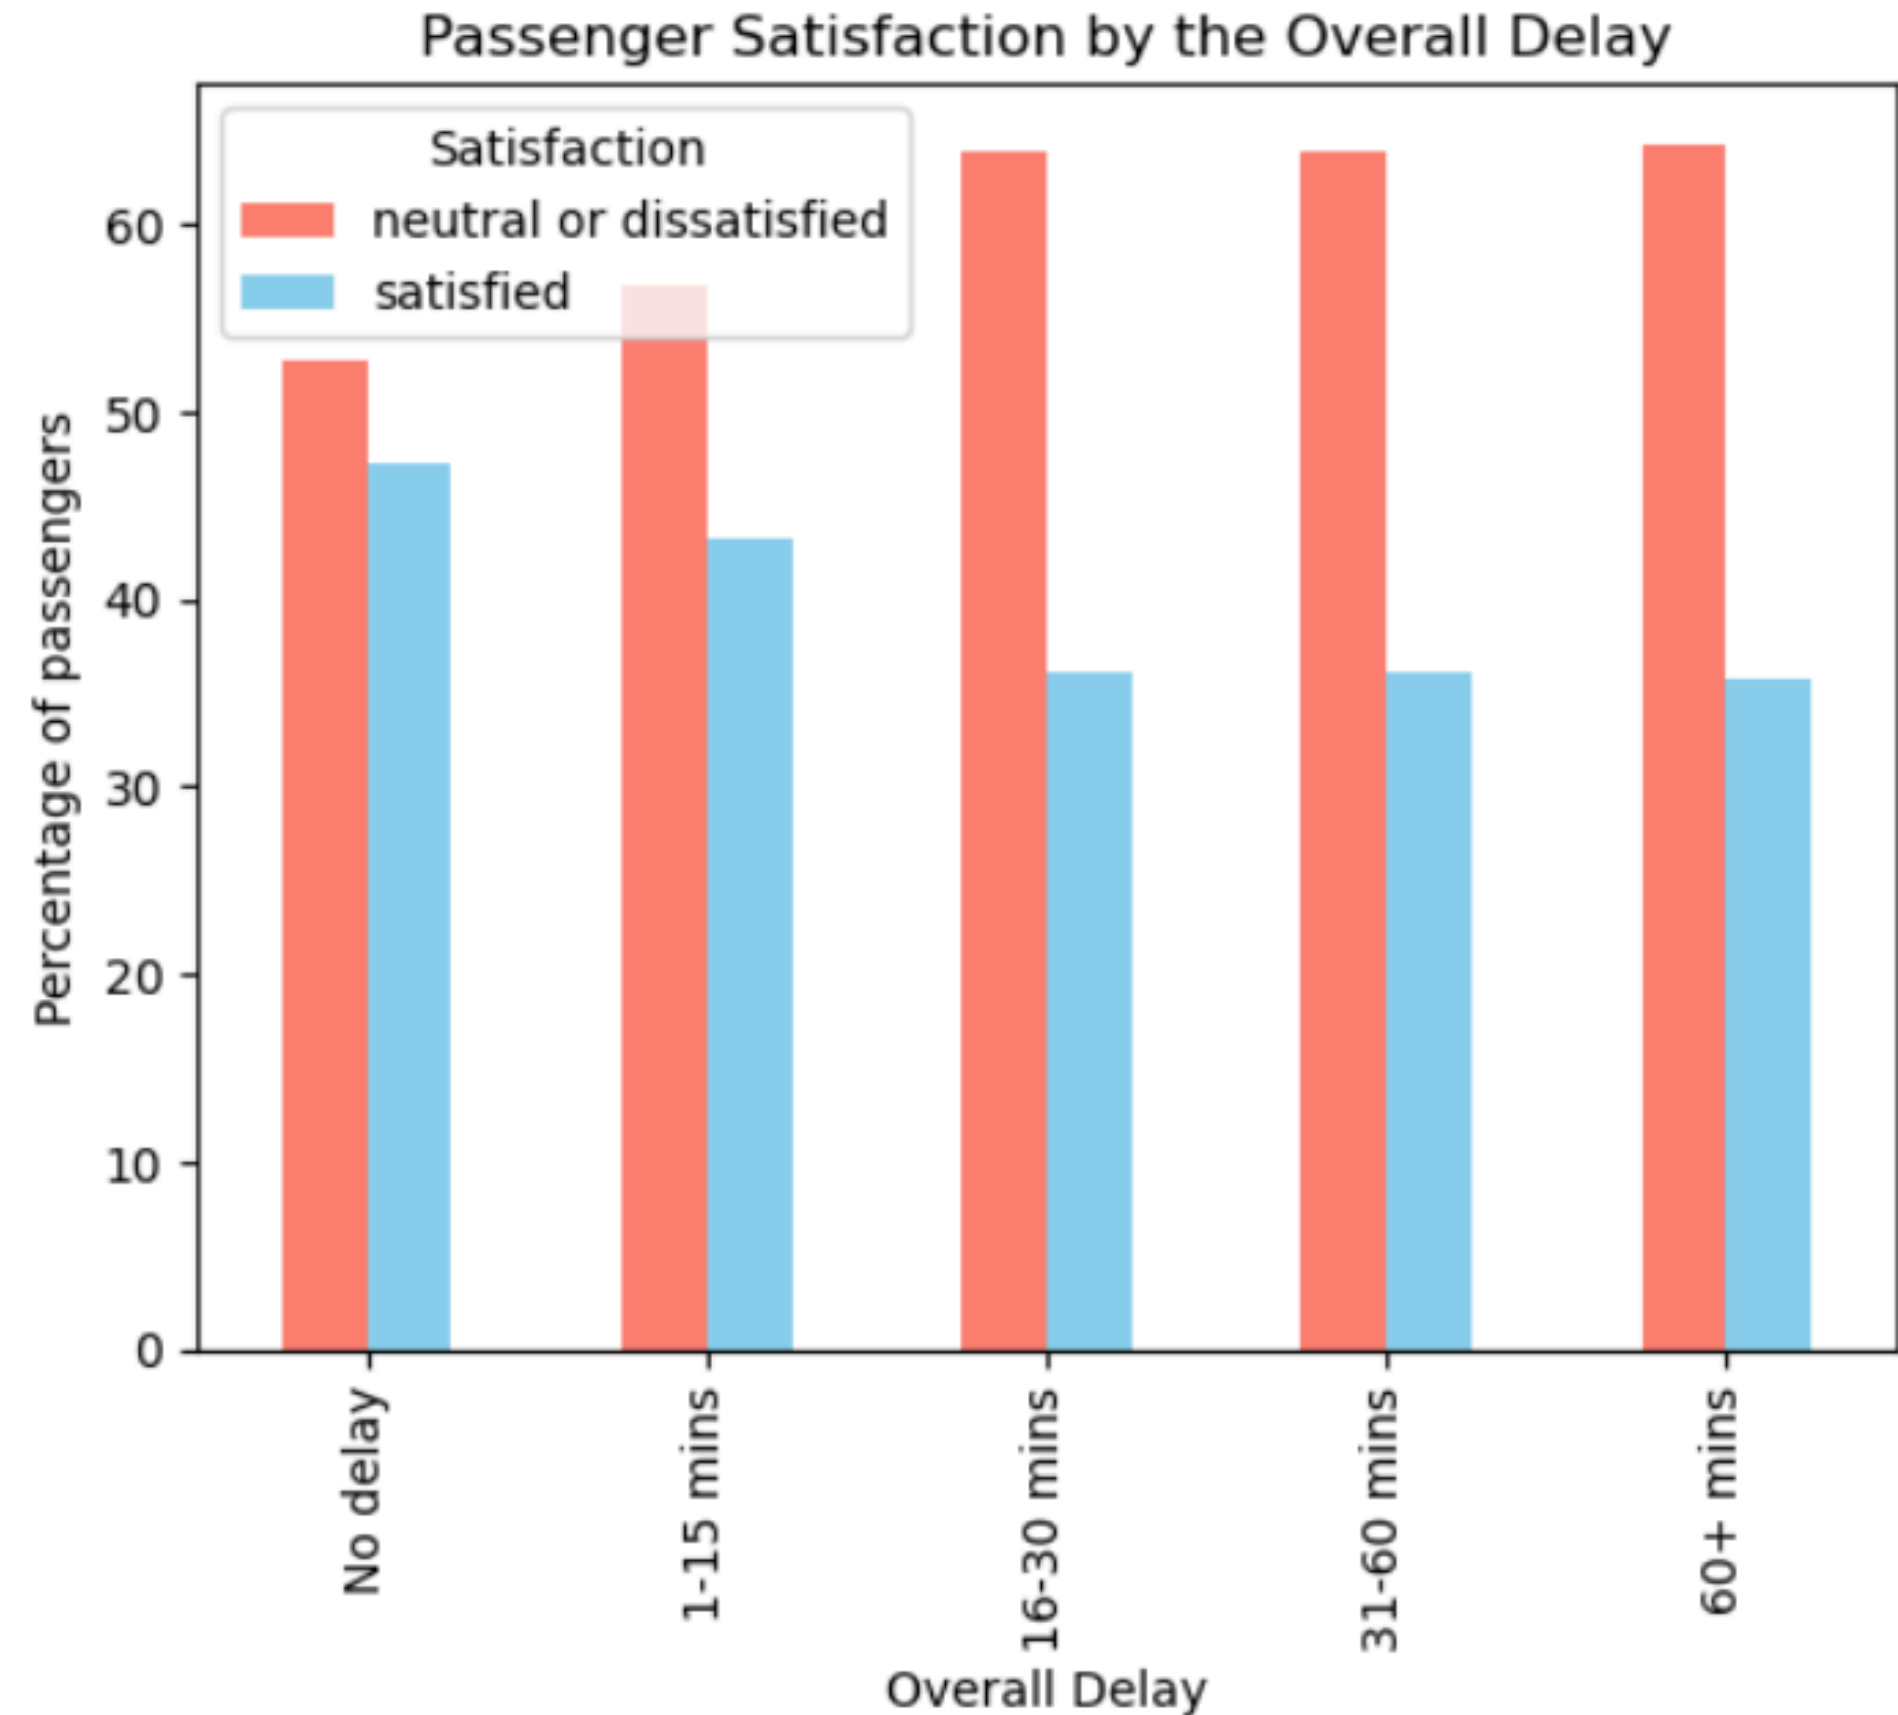

WHY ARE THEY DISSATISFIED?

Among neutral/dissatisfied passengers, inflight Wi-Fi and ease of online booking receive the lowest ratings for both Young Adults and Adults, suggesting these digital service areas are key areas associated with dissatisfaction in these passenger groups.

DELAYS & PASSENGER DISSATISFACTION

**DISSATISFACTION RISES
FROM ABOUT 53% WITH NO
DELAY TO ABOUT 64%
AFTER 15 MINUTES.**

RECOMMENDATIONS:

1 - Improve the digital Services:

Improve the app and website boarding flow, simplify booking, and invest in more reliable inflight wifi.

2 - Improve the Economy and Eco Plus experience:

Focus on seat comfort, leg room and inflight entertainment

3 - Manage delays beyond 15 minutes:

for example, Once a delay passes that threshold, provide compensation offers to protect satisfaction.

**THANK
YOU**
